## DISC Stars

By Charlene Atwood

We have a lot of musical talent here in DISC. Earlier this year, Our very own Larry Burton, BOCS was inducted into the 2006 Kansas Music Hall of Fame, again. Yes, again; it was Larry's 2nd time to be inducted to the Kansas Hall of Fame. He was first inducted in 2005 with the band, 'The Blue Things'. This year he was inducted with, 'The Jerms'. To date, Larry is the only person who has been inducted 2 years in a row with 2 different bands.

Denise Moore's husband Terry has also been inducted into the 2006 Kansas Music Hall of Fame for his role with the 'Spider & the Crabs'.

Tony Vargas from Central Mail has been a member of the 'Paradize Band' for 30 years now. They are a local band that performs a variety of music, but are best known for their Latino music. They've performed the surrounding states, for private parties and have helped the community with fundraiser benefits, to include DISC employees. They helped celebrate the spirit of Mexico at the Mexican Fiesta last year as well.

Morey Sullivan not only serenades Valentine sweethearts, but also is the leader of a popular band called, 'the Brazos Valley Boys'. The band formed in 1946 by a country music icon, Hank Thompson. Morey has been the bandleader and bass for this band who still accompany Mr. Thompson. They have been inducted into the Western Swing Music hall of Fame in Oklahoma City. They have been said to be trendsetters, who set the style of music, which includes country, Dixieland, blues, jazz, and swing. They were branded by Billboard magazine as the, 'Touring band of the year'.

Jim Gutzwiller from BOT also dabbles in the music world. He's been performing with the 'Social Rex' heavy metal band. They are currently auditioning bass players to complete them. Social Rex performs at private parties and other social events, thus keeping them busy.

Finally, Tom Kelly, BOT and the 'Other Brother Darrel' band is in the finals for the 'Battle of the Bands'. Their band is in a second place tie to move on to the finals.

The final bands will compete on August 30th to determine the winner of the contest. The event will be at the Senate Luxury Suites, 900 SW Tyler on August 30, the 'Other Brother Darrel' band will play at 6:00PM. Each band will have 45 minutes to show off their stuff. The winning band is based off the votes from the crowd. Please show your support to all the local bands and vote! If their band wins they will have the opportunity to open for Eddie Money at the 'Burnin Downtown' event on September 30, 2006.

DISC has many musicians, at last years Project Topeka events, we learned that Cheryl Shaughnessy is a beautiful singer.

As for myself, I really don't have any of these wonderful talents. Do I hear a new band forming...DISCOs and the DIS-Cetts?
